

Dear participant of the Symposium!

Earlier, the Organizing Committee of the *VIII International Symposium "PROBLEMS OF GEODYNAMICS AND GEOECOLOGY OF INTRACONTINENTAL OROGENES"*

(June 28 - July 2, 2021, RAS Scientific Station, Bishkek, Kyrgyzstan) invited you to publish your paper presented at the Symposium in a foreign publication site

«*IOP Conference Series: Earth and Environmental Science*»

.

Please note that due to technical reasons the bank details of the Research Station have changed. Please use the updated details when filling out the contract [\(the template of the contract with an individual](#)

with corrected bank data is attached to the letter - only clause 8 of the contract has been changed).

Please note that to publish your paper in the *IOP Conference Series: Earth and Environmental Science*, you need to send the following package of documents to the Organizing Committee:

- Article in doc-file format in two copies (duplicate in Russian and English), designed using templates and in accordance with the requirements of the publication «*IOP Conference Series: Earth and Environmental Science*»:

<https://publishingsupport.iopscience.iop.org/questions/preparing-your-proceedings-paper/>

<https://publishingsupport.iopscience.iop.org/questions/templates-and-guidelines-for-proceedings-papers/>

Allowed volume of article is 5-8 pages, including figures and tables.

- A scanned copy of your organization's expert opinion on the possibility of publishing article materials in the open press in the *IOP Conference Series: Earth and Environmental Science* according to the form accepted in your

Symposium (publication in IOP)

organization.

- A scanned copy of the contract (either signed by the responsible author of the article(s), if you will personally pay for publication services, or by the director of your organization, if payment through an organization is expected - contract templates are attached).

Documents should be sent to ns_ran@mail.ru by **September 15, 2021**.

More information about the conditions and terms of publication is in the attached files.

All the best!

Olga Zabinyakova Academic Secretary of the Research Station of the Russian Academy of Sciences in Bishkek
