

Dear Colleagues!

On April 27-29, 2022, the XIV International Conference of Young Scientists and Students "MODERN TECHNIQUES AND TECHNOLOGIES IN SCIENTIFIC RESEARCH" took place at the Research Station of the Russian Academy of Sciences in Bishkek (Kyrgyz Republic).

The Proceedings of the Conference are registered by the Book Chamber of the Kyrgyz Republic (ISBN 978-9967-12-939-9).

The electronic version of the collection is available for downloading at the link:

<https://cloud.mail.ru/public/VSaf/2Mxu1R7su>

Currently, the Proceedings are in the process of placement in the information-analytical system RSCI (<https://elibrary.ru/>). We will inform you of the results by additional letter.

All the best!

Olga Borisovna Zabinyakova

XIV International Conference of Young Scientists and Students
