Dear colleagues!

From 26 to 28 of April 2023, on the basis of Research Station of the Russian Academy of Sciences in Bishkek city (RS RAS) the XV International Youth Conference "MODERN TECNIQUE AND TECHNOLOGIES IN SCIENTIFIC RESEARCH" will take place. Detailed information on this event will be taken on website http://mmk.gdirc.kg/

By the decision of the Organizing Committee of the Conference, the acceptance of applications is extended until April 1, 2023.

Registration and submission of materials for publication in the Proceedings of the Conference is carried out through the conference website (http://mmk.gdirc.kg/) in the "Registration" section.

Please note that Leading Researchers from the <u>Institute of Computational Mathematics and Mathematical Geophysics of the Siberian Branch of the Russian Academy of Sciences</u> will be invited as lecturers at the plenary sessions on April 26, 2023.

XV International Youth Conference "MODERN TECNIQUE AND TECHNOLOGIES IN SCIENTIFIC RESEARC
